The Quiz Evening was also well attended much enjoyed. It could be repeated : 9th Nov was suggested as a future date.

FUTURE EVENTS

The Horticultural Society is organising a Wine Tasting on Saturday, 2nd October and the Christmas Social will be on Saturday, December 4th. On Sunday, June 6th, Irene Chester is opening her garden for anyone to come and spend the afternoon, as she did last year.

Litter Pick : 4th July. Guildford Borough Council is keen to support communities in any clean up operation so will supply equipment and pick up any black sacks after the event.

MAYPOLE DANCING

Caroline will update the calendar of events for the year, ready for the AGM.

Bob will talk to Richard about preparing the accounts for the meeting and about who he will be handing over to as Treasurer.

Another planning application has been put in for the land next to Green Lane.
